

ALL ABOUT SELLING VOUCHERS

Is your church looking to take on another project to help the community but cannot seem to find the budget or resources? By selling vouchers you will be able to help the Chicago community at no cost to you and limited time commitment.

HOW DOES IT WORK?

1. People purchase the vouchers from various vendors who sell them in packets of 5. One voucher=\$1.
2. Those vouchers are shared with those in need.
3. The vouchers are then used at your business as a replacement for cash. Only food and personal care items can be purchased with vouchers. Vouchers not valid for purchase of alcohol nor tobacco products.
4. We reimburse you with a monthly check for the vouchers you have redeemed that same month.

WHAT WOULD I NEED TO DO?

- Announce the sale of vouchers at the end of a church service or somewhere in the church bulletin so the congregation is aware of when and where to purchase them.
- Have a time and place for non-church members to purchase the vouchers.
- Vouchers will be given to vendors free of charge and more can be requested at any time.

WHERE DO I SIGN UP?

To sign up to become a Chicago Shares vendor, fill out the attached sheet and e-mail it to us on the Contact page of our website or send it, along with a church business card to:
